Part VI, Section B #15		Vassar participates in a third party data collection process with 25 peer colleges. We submit data annually to a professional compensation analyst, who summarizes the data as a range with quartiles. The report is provided to the Personnel and Compensation Committee of the Board of Trustees. The Board determines raises for all senior officers and reports their findings through the President and the Vice President for Finance and Administration. Committee records are maintained by the Chair of the Personnel and Compensation Committee, with a copy to the secretary of the board of trustees for the permanent files of the board.

Part VI, Section B, Line 12		Vassar College issues conflict of interest questionnaires to officers, directors, trustees and other members of the faculty and administration with significant budgetary responsibilities. Once the completed forms are submitted to the secretary of the board and reviewed by the vice president of finance and administration, the chair of the board and the chair of the audit committee, the college responds to any disclosures with appropriate action including requiring persons to recuse themselves of involvement with any parties for which the relationship would represent a true conflict of interest.

The discovery was immediately reported to the Trustee Audit Committee and to local authorities, leading to an independent private investigation and criminal investigation by local law enforcement. In January of 2012 the former employee pled guilty to first degree larceny and received sentencing. In February of 2012 the College received a \$2.0 million payment from its insurance claim which will be reported in the 2011-12 Form 990. Additional recoveries are anticipated.
